Flights resume gradually at Paris airports

Flights resume gradually this morning at Paris-Charles de Gaulle, Paris-Orly and Paris-Le Bourget airports. Nevertheless, delays or cancellations are still probable as airlines have to reschedule their flights.

Aéroports de Paris hence advises passengers to contact their airline, before going to the airport, to find out if their flight is scheduled.

Aéroports de Paris builds, develops and manages airports including Paris-Charles de Gaulle, Paris-Orly and Paris-Le Bourget. Aéroports de Paris is Europe's second-largest airport services group in terms of airport revenues and the European leader for cargo and mail. Aéroports de Paris accommodates nearly 460 airlines, including the main companies in the air transport industry. With an exceptional geographic location and a major trading area, the Group is pursuing its strategy of modernizing its terminal facilities and upgrading the quality of services, and also intends to develop its retail and real estate business. In 2007, Aéroports de Paris Group had revenues of €2,292.4 million and handled 86.4 million passengers.
