

AÉROPORTS DE PARIS

The world is our guest

Press release

Paris, 2 February 2009

Adverse weather conditions on 2 February 2009

Evaluation of the situation at 7.30 p.m.

► Traffic back to normal at Paris airports

Aéroports de Paris notes a return to normal traffic at both Paris-Charles de Gaulle and Paris-Orly airports.

The snow teams of Paris-Orly remain mobilized considering a possible snow event between 7 and 9 p.m. (probable risk of low-intensity snowfall) and, if necessary, will clear the runways and taxiways pre-emptively in the middle of the night (freezing fog).

Aéroports de Paris builds, develops and manages airports including Paris-Charles de Gaulle, Paris-Orly and Paris-Le Bourget. Aéroports de Paris is Europe's second-largest airport services group in terms of airport revenues and the European leader for cargo and mail. Aéroports de Paris accommodates nearly 460 airlines, including the main companies in the air transport industry. With an exceptional geographic location and a major trading area, the Group is pursuing its strategy of modernizing its terminal facilities and upgrading the quality of services, and also intends to develop its retail and real estate business. In 2007, Aéroports de Paris Group had revenues of €2,292.4 million and handled 86.4 million passengers.
